I. Title Banner and Navigation button

Picture 1: Header

This part is the most important part of the website, because it's the first thing a user will see upon opening the site.

This part consists of:

1. Name of the business.
2. Navigation button.
3. Email for reservation and concerns.

II. Virtual Tour

Picture 2: Virtual tour segment

The Virtual Tour segment which is the Main part of this project, you can choose to try virtual tour using your android phone or personal computer/laptop which require you to download a specific file.

To get to this part you can either click the Virtual Tour button (Refer into Picture 1: Header) or you can manually scroll just past the header part of this website.

III. About us / Our story

Picture 3: About us

About us is about our story or rather a few words from our client about what is Centrovilla private resort and event's place is about. In this segment you can click on [Reserve Now] button (refer on picture above) to check available day you can reserve and relax in Centrovilla.
